What's New

On Tuesday 5th March we will be having an Upcycle clothes day and book sale as part of Waste Week. This is to educate children about not wasting things. Children will be able to bring in old clothes that they can modernise with resources we have in school and then model them and we will have a book sale where children can bring in books they have read and buy books to enjoy. They will need to bring some change to buy books.

On Thursday the 7th March it is World Book Day. This year we are going to be working with Talentum Trust on a topic of 'Around the world in 80 stories. Each school in the trust will produce writing and artwork around different stories set somewhere in the world and this will then be displayed in The Foxlowe. Busy Bees will be using a story from Africa, Clever Cat will be using a story from Africa into France and Wise Owls from Brazil. Children can come dressed in their favourite story characters but if you are struggling for ideas, they can come dressed linked with the place of their story if they want to. Children will come home with a voucher for a free book so please make sure you take your child to choose their book. Thanks.

A note from Mrs Crawforth

"I had the pleasure of accompanying Wise Owls to Young Voices last week. For those of you who don't know, this is a concert where the children are the choir and there were about 7,000 children all singing the same songs with an orchestra, conductor and celebrities performing. I have to say that all the children were absolutely brilliant and did everyone proud with their singing and actions. I would like to say a huge thank you to Mrs Worrall for organising events like this for our children and an equally large thank you to Mrs Shaw for taking this over because Mrs Worrall was unable to come".

This week's highlights

February 29th we will be telling the children about why we have an extra day every 4 years.
